

# TigerMat

High Quality Rubber & EVA Matting

## *Hammer Top Design* Solid Rubber - Easy Sweep

This hard-wearing and heavy-duty solid rubber mat is the first choice for our professional equestrian customers. It offers a medium grip surface which allows for easy sweeping. The mat has a higher density than the Amoebic Design and therefore has a longer life span and is suitable for bonding and sealing if required. This design comes in a variety of thicknesses - 12mm, 18mm and 22mm. For the 18mm and 22mm mats, we also offer interlocking designs on either the long sides only or on all 4 sides. Please select an option that best suits your application.

Product Code	Thickness	Edge Type	Equine Stables	Leisure
TM - HT12S	12mm	Straight	Ponies up to 12hh	Gym/Garage/Workshop
TM - HT18S	18mm	Straight	Horses up to 15hh	Gym/Garage/Workshop
