

Phenolic Plywood

Eucalyptus or Full Birch Hardwood

A tough, anti slip film coated plywood, suitable for a wide range of applications. This phenolic eucalyptus or full birch plywood is easily worked, can be CNC machined, and has good weather resistance (cut ends will need to be sealed). TigerBoard is the ideal choice for stable walls, lorry/trailer beds, access platforms, walkways, stages, grandstands and play equipment.

The eucalyptus hardwood option is suitable for less exposed areas and more temporary applications. The full birch option is more suitable for areas more susceptible to water and for longer term applications.

Product Code	Thickness	Size (Metric)	Material	Colour
TB-PP-EC18 - DB	18mm	2.44 x 1.22 Mtr	Eucalyptus Hardwood Veneers	Dark Brown
TB-PP-EC25 - DB	25mm	2.44 x 1.22 Mtr	Eucalyptus Hardwood Veneers	Dark Brown
TB-PP-EC18 - Gr	18mm	2.44 x 1.22 Mtr	Eucalyptus Hardwood Veneers	Light Grey
TB-PP-B18 - LB	18mm	2.44 x 1.22 Mtr	Birch Hardwood Veneers	Light Brown
TB-PP-B25 - LB	25mm	2.44 x 1.22 Mtr	Birch Hardwood Veneers	Light Brown
